

SIDHARTH DEORA

Sheoganj (Sirohi) ,Rajasthan • 9001890408 • deorasidharth@gmail.com

SUMMARY

Dedicated and passionate third-year Computer Science Engineering student with a strong foundation in software development and expertise in MERN stack technologies (MongoDB, Express.js, React, Node.js).

PROJECTS

NoteHive

- A notes-sharing platform where users can create profiles to upload and access academic notes. Implemented secure user authentication and a clean, responsive UI for easy navigation. Optimized database queries for faster loading and seamless user experience.

HealthX

- A healthcare website that allows users to book appointments with doctors online. Integrated real-time booking functionality and managed availability for doctors. Designed a user-friendly interface with mobile-first responsiveness.

Authentication Web App

- A secure application allowing users to sign up, verify their email with a 6-digit code, and reset their passwords through a dedicated reset page. Implemented robust authentication and user session management for enhanced security
-

EDUCATION

Bachelor of Technology in Computer Science and Engineering

2022-2026

CLGIET, Bikaner Technical University
[Sumerpur, Rajasthan]

- Current CGPA: 8.00
 - Relevant Coursework: Data Structures, Algorithms, Web Development, Database Management Systems, Computer Networks, Object Oriented Programming
-

ADDITIONAL INFORMATION

- **Technical Skills:** Proficient in MERN Stack, JavaScript, React, Node.js, MongoDB, RESTful APIs, Git, Firebase, and responsive web design.
- **Certifications:** Completed MERN Stack Development Course.
- **Awards/Activities:** Built and deployed 4+ web applications independently, including live features and secure systems.
